

### **Summerville Sertoma has Moved Their Website!**

Summerville Sertoma is excited to announce that summervillesertoma.com has moved to [www.summervillesertoma.org](http://www.summervillesertoma.org)

August 3, 2009 - We have completely redesigned and updated our website with new content and a completely new look.

Now you can quickly and easily find up to date information on our football program, coaching requirements, player equipment , expectations, 2009 key dates, and more. We have also added a resource area for coaches, players, and fans to find equipment online.

"The new look and feel is something that we have been talking about for a while," said the site designer. "As a member and volunteer myself, I tried to capture some of the things I have heard people ask (or complain) about. Sometimes it is tough to make the changes as they come up, as we are a 100% volunteer organization. In fact, with the Sertoma Football Program kicking off, time is scarce and many members are working 7 'nights' a week. Keep checking back at [www.summervillesertoma.org](http://www.summervillesertoma.org), as I have many additional features and content planned in the near future like cancelation information, and a photo gallery."

Summerville Sertoma is an IRS 503(c) non-profit organization that is 100% run by volunteers. Please do your part and support our program so that we can continue to make a difference in OUR community!
